Every Child, By Name And Face, To Graduation™

Envision WCSD 2020

Goal 3: To engage family and community members in strong relationships and provide meaningful opportunities to increase their educational expertise, trust, and to share responsibility for student success.

Objective 3.3: Strengthen strategic community partnerships and constituent services.

Initiative 3.3.1: Develop a flagship Partner in Education (PiE) program through the Education Alliance that directly supports academic initiatives or programs for WCSD students and schools.

Impact Since 2014

Partners in Education (PiE)

\$176,815

Let's Go to College

In collaboration with TMCC and Reno Sunrise Rotary, Education Alliance and school Partners in Education visit elementary schools to encourage students to attend college.

Data Profile

Produced annually to compare results of WCSD student high school performance, college enrollment, and college success to state-wide data.

SkillsUSA Nevada

As one of our P-16 career and college readiness initiatives, EA sponsors the annual statewide Job Interview contest, securing 12-14 business HR pros to interview 70+ students.
